

Foundations of Infection Control

Sponsored by CACC-California APIC Coordinating Council

March 8-12, 2009

Sunday morning – Thursday evening

Ontario Airport Marriott

This three part program is for new or intermediate infection control practitioners and/or Public Health Professionals in acute, long term care, correctional facilities, home health, psychiatric settings, ambulatory care or public health facilities/clinics seeking an introductory course to help them understand the components of an infection control program. Each part of the program may be taken alone or in combination. The full week is recommended for beginners.

Foundations (Sunday 9am – Wednesday- noon) is a 3.5 day program focusing on the patient, the environment & administrative/educational issues. This will help define the components required in a comprehensive infection control program. In addition, there will be a vendor fair & reception.

Surviving the Survey Process in the Infection Control Arena (Wednesday afternoon 1-5pm) is a half-day program addressing regulatory and TJC standards.

Mandatory Infection Control Reporting, Statistics, Use of Data, PI & Project Management (Thursday 8-5pm)

All sessions include hands-on exercises, small group sessions and an opportunity for informal interaction with group leaders and topic experts.

For further information:

To receive a brochure, receive vendor display information or inquire about program details, please contact:

Harriett Pitt at Hpitt@attglobal.net or (909) 224-8326

Mary Mendelsohn at mmendelsohn@coh.org or (626) 256-4673 x65529

Nursing and Clinical Laboratory CE units will be available.

For further details, registration, hotel & credit card payment:

See www.cacc.net (fall 2008)

A block of rooms will be set aside for attendees at \$109 per night plus 11.75% tax and .065% California Tourism Assessment Fee. Please contact the Ontario Marriott directly for reservations at 909-975-5000. The group name will be: CACC Foundation Program. Each participant should make reservations early; your personal credit card will be required to guarantee your room.
